Dear Ms. Moseley:

Re: Notice of Intent to Conduct Exploration, Piute County, Utah

Enclosed are the proposed rules for the State of Utah Minerals Reclamation Program. Also enclosed are the exploration forms you will need:

Form MR-EXP

Form MR-EPR

Notice of Intention to Conduct
Exploration

Mineral Exploration Progress Report

As Scott Johnson told you during your phone conversation, a bond will only be required if the total disturbed area, including roads and pads, exceeds five acres. If your proposal will exceed five acres of surface disturbance, please contact us for the proper reclamation surety forms.

I understand you are anxious to expedite your explorations. Feel free to call me if I can answer any questions that may help you achieve this goal.

Sincerely,

D. Wayne Hedberg
Reclamation Hydrologist
